

Brian is an experienced real estate appraiser specializing in the valuation of complex and high-dollar residential properties. He is one of less than 500 individuals in the U.S. certified to teach the Uniform Standards of Professional Appraisal Practice (USPAP) by the Appraisal Foundation. Brian also co-founded a SaaS subscription service used by the appraisal, mortgage, and insurance industries as a source for Residential Replacement Cost Data. Most recently, he played a role in establishing and executing a trainee program for appraisers at Clario Appraisal Network, a subsidiary of Clear Capital.
